Our company, Nanjing Fire Protection Technology Co., Ltd. (hereinafter referred to as "Nanjing Fire") is an legally registered company in China. Nanjing Tuna Fire Protection Co., Ltd. (hereinafter referred to as "Nanjing Tuna") is a wholly-owned subsidiary of Nanjing Fire. Nanjing Tuna is specialized in the design, manufacturing, testing, marketing and sales of water-based fire extinguishing products under TUNA® brand, including Water Spray Sprinklers and Wet Alarm Check Valves etc.

TUNA® is a registered trademark which is approved by Chinese Trademark Bureau. Nanjing Fire exclusively possesses all the legitimate rights and interests of TUNA® brand. Nanjing Fire as the leading enterprise in China fire industry, TUNA® brand is not only a symbol of high quality, but also a corporate image of high professionalism to Nanjing Fire's customers.

Nanjing Fire received UL approval for sprinklers in 2004 and wet alarm check valves in 2007. Now Nanjing Fire is under application of FM approval for sprinklers.
